Dear Sir or Madam

Testimonial for David Gray

I have no hesitation in recommending David to you to assist with your energy savings programme.

He has worked with us since December 2008 and has worked tirelessly to provide us with the best possible gas and electricity prices in the market. Nothing is too much trouble and he is quietly efficient, producing consumption graphs and comparative figures to illustrate the savings he has achieved. His reports are easy to follow and he always answers any queries or problems with the greatest thoroughness and quickness.

I would be pleased to provide any other information should you wish to contact me.

Yours faithfully

Mrs P J Donohoe
Secretary.
