To Whom it may concern

I have known David Milnes for a number of years and during the whole of that time have found him very willing and easy to deal with.

In particular he has been a tremendous help looking at our energy costs at Christ Church where his extensive knowledge of the energy/utility companies has enabled us to make substantial savings on our energy costs.

Also his extensive computer skills enables him to present information in such an easy to read format that has enabled us to make quick and effective decisions.

His integrity and honesty are beyond reproach and I have no hesitation in recommending him to anyone who wishes to use his services.
